

**Our Heavenly Mother  
invites you to the 33rd anniversary  
of Her first weeping Tears of Blood  
in Naju, Korea (Oct 19, 2019)**

## **Why the Blessed Mother is shedding Tears of Blood in Naju?**

-Excerpt from Julia Kim's testimony-

“When the Blessed Mother shed tears of blood through Her statue for the first time on October 19, 1986, I stiffened with startle at the scene. How much thick tears of blood She shed! It was scaring scene even to me.

The reason that the Blessed Mother talked to us with such tears of blood is not for our sightseeing but to call out for our repentance of sins and for the unity among us as the Father, the Son and the Holy Spirit are One.

Everyone knows that a picture is worth a thousand words. Signs are important, but Words of messages of ardent love from the Lord and the Blessed Mother are more important. As people don't be assured only with the messages alone, The Blessed Mother shed her tears and tears of blood and Our Lord shed His Precious Blood and performed Eucharistic miracles with many other Signs to convince us on the truthfulness of the messages.”

The Vinyl tented Chapel: which looks humble like Jesus lying in a manger of Jesus as it was made humbly of vinyl, but is indeed identical with the Holy temple as of the Lord and the Blessed Mother because they have shown Their presence by granting numerous Signs such as the descent of the Holy Sacred Hosts, Precious Blood of Our Lord, Fragrant Oil, etc.

Eucharistic Procession

Julia Kim delivering her testimony joyfully of her life prepared by the Lord with the Messages of Love by offering up graciously her extreme sufferings in reparation for others' sins.

On this day, Julia offered up severe pains of atonement with her trembling body; she was hanging between life and death for the sins of the world including the pilgrims' so that they may receive grace abundantly. Thus she delivered her testimony and Messages of Love vigorously with joy because she knows well that the more she offers up her suffering, the more graces they will receive.

Both the clergy and pilgrims praying the rosary with lighted candles and walking on the Way of the Cross at the Blessed Mother's Mountain.

Special time for foreign pilgrims with Julia Kim

\* A lot of foreign pilgrims were healed spiritually and physically when they obtained the graces of repentance while listening to Julia's testimony and Messages of Love.

*“It is within bounds to say that Mama Julia is a living Saint.  
It was very great and honorable for me to hear her testimony. After I saw  
the video of the suffering of Julia, I avoided sin and was determined to dedicate  
myself and my soul to the Blessed Mother Mary and to pray every day.  
I love you Mama Mary, I love you Mama Julia.”*

Individual meeting with Julia for the foreign pilgrims

\* Julia prayed for all the pilgrims who attended the 30th anniversary prayer meeting, one by one dispensing God's power of love despite her extreme suffering for the pilgrims' spiritual and physical healing.

The Blessed Mother said to Julia in Her Message on Oct 20, 1986, "Let me borrow your body and your mouth." The Lord and the Blessed Mother grant much more graces to pilgrims, as Julia's suffering gets more and more extreme. Julia, who knows this well, prays wholeheartedly, "Lord and Blessed Mother! May You personally heal all these pilgrims,' with embracing them in her arms and kissing the sick part of their bodies.

So, the pilgrims meet the Lord and the Blessed Mother and feel their perceived presence through Julia at this time, in which people have received physical and spiritual healing grace for many years. We call it **"Meeting with the Lord and the Blessed Mother through Julia Kim."**

She even prayed for over thirty thousands of pilgrims one by one without any exception in the midst of participating in the pains of Jesus and the Blessed Mother.
